AGREEMENT						
In submitting this application, I agree to the following. Please initial each number after reading it.						
1. 2.	I will provide the school with copies of my child's immunization records and birth certificate within ten days of submitting this application or before the opening day of school, whichever comes first. I give my child permission to take part in all school activities, including P.E., sports, and field trips. It is understood that those people in charge will take all reasonable caution to prevent injuries, but I agree neither those in charge nor the school shall be held responsible in case of accident or other sickness connected with participation. If a dispute over this agreement or any claim for damages arises, the student and his parents or guardians agree to resolve this matter solely through a mutually acceptable arbitration process.					
3.	I understand that <i>student accident insurance</i> covers travel on school-related trips, P.E., athletic practice and competition, the school day, and all other school-related activities. I understand that this insurance covers every penny of a school-related accident but that it <i>is secondary insurance – meaning it will pay remaining balance after parents' insurance has paid. If parents have no insurance, they pay bill in full.</i> I agree that registration and matriculation fees are non-refundable and that I will owe tuition and the fees incurred during the weeks of attendance as per the terms in the Financial Information Sheet and school handbooks.
