
Where Every Baby Is a Blessing, Every Child Is Loved, and Every Little Life Is Covered in Prayer

CAROLINA CHRISTIAN ACADEMY | CUBBY CARE INFANT CARE

Your baby is precious to you. Your baby is precious to us. And most importantly, your baby is precious to God.

At Carolina Christian Academy, we understand that entrusting your infant to someone else's care is one of the most important decisions a parent will ever make. During that precious first year of life, your baby deserves far more than supervision. Your child deserves loving arms, gentle voices, tender attention, a safe and nurturing environment, and caregivers who genuinely love the children entrusted to them.

That is the heart of Cubby Care.

As a registered child care provider and part of Carolina Christian Academy, one of South Carolina's top-rated private Christian schools, Cubby Care offers families something truly special: professional infant care grounded in Christian love, biblical principles, and a deep sense of responsibility.

More Than Caregivers — Loving Hearts With a Sacred Responsibility

Our well-trained, dedicated staff members understand that caring for an infant is much more than a job. It is a calling.

We strive to care for every baby with the same tenderness, patience, attentiveness, and devotion we would give our own children. Every feeding, every diaper change, every comforting embrace, every smile, and every moment of interaction is an opportunity to communicate love and security to a little life.

We recognize that the first year of life is a remarkable period of growth and development. Our caregivers seek to provide the personal attention, encouragement, and nurturing environment that help infants feel secure, loved, and valued as they begin discovering the world around them.

Every Child Is Prayed For — Every Day

One of the most meaningful distinctions of Cubby Care is that our staff prays daily for every infant entrusted to our care.

We pray for their health, their safety, their development, their families, and God's blessings upon their lives. We believe that every child is a precious gift from God, created in His image and entrusted to us for a very special season of life.

Our commitment to Christian care is not simply a statement on our website. It is a conviction that guides the way we approach our responsibilities each and every day.

Accountable to Parents — Ultimately Accountable to God

At Cubby Care, we recognize that parents place extraordinary trust in us when they leave their precious little ones in our hands.

We take that trust seriously because we believe our responsibility goes beyond accountability to parents. Ultimately, we are accountable to God Himself for the love, protection, attention, and care we provide.

That conviction establishes a standard of care that reaches beyond ordinary expectations. It reminds us that every infant matters, every need deserves attention, and every act of kindness has eternal significance.

“Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.” — Psalm 127:3 (KJV)

A Loving Beginning in a Christian Educational Family

Cubby Care is more than an infant care program. It is the beginning of a child’s opportunity to grow within the loving Christian environment of Carolina Christian Academy.

From the earliest months of life, we want children to experience warmth, security, affection, and the love of Christ demonstrated through the people who care for them.

At Cubby Care, we don’t simply watch babies. We love them, nurture them, pray for them, and treasure the privilege of caring for them.
